Saeco

Artico S

Description

Here is the new Saeco Artico line. This successful line of snack & food machines has a completely new design and modern graphics. Artico S is the new generation of 6-spirals snack & food vending machines with 6 removable trays for dispensing snacks, cold beverages in cans or bottles and, in the food configuration (from 0° to 4°C), also sandwiches and fresh products.

It matches perfectly with the freestanding hot Cristallo Evo 400 vending machine, with which can share the payment system.
